Introduction

Elior welcome you to the Hospitality Brochure designed exclusively for the Hemsley on the University Park Campus.

Our hospitality menus are designed to offer a comprehensive range of cuisine to suit all tastes and purposes and are compiled for your convenience.

Whatever your occasion our dedicated and professional team will provide you with all of your catering needs.

We require 72 hours notice for all bookings, however in instances when this is not possible we will endeavour to meet your requirements. In the event that some items may not be available we will offer you a suitable alternative.

We can also assist with specific dietary requirements such as Vegan, Halal and food related allergies.

For a meeting with a difference why not book a table in the **Hemsley Restaurant** where you can enjoy a two course lunch served within an hour for as little as £14.95 per person.

For further information or to discuss your requirements in detail please contact our dedicated management team on:
